

International Society of Neuropathology (ISN)

International Brain Research Organisation (IBRO)

**Outreach Teaching Workshop of the ISN and a course in
Neuropathology for Neurologists
Lagos, Nigeria, 22-24 March 2019**

**Organised by the ISN
Sub-Committee on Neuropathology Training & Development**

**In cooperation with:
International Brain Research Organisation, Paris, France
Universities of Ibadan and Lagos, Nigeria**

DRAFT PROGRAMME

Hosts: Prof Adesola Ogunniyi, Dr Rufus Akinyemi, Dr. AO Salami
Departments of Pathology and Medicine, University College
Hospital, Ibadan, Nigeria;
Prof Yomi Ogun, Department Internal Medicine (Neurology), Lagos State
University Teaching Hospital, Ikeja, Lagos, Nigeria

Venue: Lagos State University Teaching Hospital, Medical Research Complex,
Ikeja, Lagos

Accommodation: The Radisson Blu Ikeja, 15 minutes from conference Centre

ISN-IBRO - Teaching Workshop 2019

Friday 22 March 2019: Meet the instructors

- 17:00 – 18:00 Welcome and Introduction: Needs for Neuropathology in Africa
Hosts: A Ogunniyi (Nigeria), Raj Kalaria (UK)
- 19:00 – 22:00 Dinner with the Faculty

Saturday 23 March 2019: Tumours, Neurodegeneration and Epilepsy

MORNING SESSION

Chair: R Kalaria (UK)

- 09:15 - 09:45 Neuropathology Services in sub-Saharan Africa: Overview
Babatunde J Olasode (Ile Ife, Nigeria)
- 09:45 – 10:30 WHO 2016 Update on Pathology and Genetics of Tumors
Sebastian Brandner (London, United Kingdom)
- 10:30 – 11:00 Patterns of CNS Tumors in Ibadan: A review
A Salami (Ibadan, Nigeria)
- 11:00 – 11.30 COFFEE BREAK
- 11:30 – 12:00 Pathology of Astrocytic Neoplasms in Nigerians
Gabriel O Ogun (Ibadan, Nigeria)
- 12:00 – 12.45 Neurodegeneration I
Herbert Budka (Vienna, Austria)
- 12:45 – 14.15 LUNCH BREAK

AFTERNOON SESSION

Moderators: A Salami (Nigeria) and S Brandner (UK)

- 14:15 – 15:00 Surgical Neuropathology of Epilepsy
Adenkule M Adesina (Houston, Tx, USA)
- 15:00 – 15:45 Neuropathology of Epilepsy: Update
Raj Kalaria (Newcastle, UK)
- 15:45 – 16:45 Rotating case discussion groups chaired by the morning faculty members

ISN-IBRO - Teaching Workshop 2019

Free Evening (Informal Faculty Dinner)

Sunday, 24 March 2018: Neurodegeneration, Infections, Cerebrovascular Disorders

MORNING SESSION

Chair: H Budka (Austria)

- | | |
|---------------|---|
| 09.00 – 09.45 | Neurodegeneration II
Sebastian Brandner (London, UK) |
| 09:45 – 10:15 | Traumatic Brain Injury in Nigeria: The Silent Epidemic
Babatunde J Olasode (Ile Ife, Nigeria) |
| 10:15 – 11:00 | Infectious Diseases
Herbert Budka (Vienna, Austria) |
| 11:00 – 11.30 | COFFEE BREAK |
| 11:30 – 12:15 | Cerebrovascular Disorders
Raj Kalaria (Newcastle, UK) |
| 12:15 – 12:45 | Brain Banking in Africa
Rufus Akinyemi (Ibadan, Nigeria) |
| 12:45 – 14:15 | LUNCH BREAK |

AFTERNOON SESSION

Moderators: Raj Kalaria (UK), Adesola Ogunniyi (Nigeria)

- | | |
|---------------|--|
| 14:15 – 15:15 | Digital Pathology Interactive Seminar
Sebastian Brandner (London, UK) |
| 15:15 – 16.00 | Case Discussions. Rotating case discussion groups chaired by the morning faculty members; Q&A and General Discussion on Research Opportunities |
| 16:00 – 16.45 | Neuropathology in the 21 st Century
Herbert Budka (Vienna, Austria) |
| 16:45 – 17.00 | Closure: Concluding Comments by Chairs |

Dinner Invitation (organised by Hosts)

ISN-IBRO - Teaching Workshop 2019

Faculty and Instructors:

Professor BJ Olasode (Nigeria). Professor of Anatomic Pathology, Obafemi Awolowo University, Ile Ife Osun State. Director Ife Ijesha Cancer Registry Nigeria. His major research interest and expertise is in central nervous system tumors.

Dr Gabriel O Ogun (Nigeria). Pathology Services, UCH, University of Ibadan, Nigeria (to be populated)

Dr A Salami (Nigeria). Pathology Services, UCH, University of Ibadan, Nigeria (to be populated)

Dr Rufus Akinyemi (Nigeria). Neurology Services, UCH and Neuroscience and Ageing Research Unit, IAMRAT, College of Medicine, University of Ibadan. He's PI, Ibadan Brain Bank Project and NIH- funded African Neurobiobank ELSI Project. He plays a leading role in the genomics and biorepository core of the NIH – funded SIREN Study, currently the largest study of stroke in Africa.

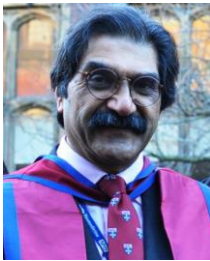

Prof. Sebastian Brandner (United Kingdom). Neuropathologist at Medical Research Council Prion Unit at the University College of London Institute of Neurology and Chair of Neuropathology and Head of the Division of Neuropathology at Queen Square, one of the largest academic neuropathology departments in the UK. He has a major leadership role in capacity building in neuropathology nationally and is Training Programme Director for London. His major interests are brain cancer research and prion diseases.

ISN-IBRO - Teaching Workshop 2019

Prof. Herbert Budka (Austria). Professor emeritus of Neuropathology at the Medical University of Vienna, Austria, and past Senior Neuropathology Consultant at the University Hospital Zurich, Switzerland. He has been practising diagnostic neuropathology for more than 45 years and is Past President of the International Society of Neuropathology (ISN). His main interests in research are neurodegenerative disorders including prion diseases; infectious diseases of the nervous system, in particular virus diseases; and neuropathological characterisation of peculiar types of neurological diseases.

Prof. Raj Kalaria (United Kingdom). Director of the Neurovascular Research Group in the Institute of Neuroscience, Campus for Ageing Vitality, at the old Newcastle General Hospital site and a Professor of Pathology (Cerebrovascular Diseases) at Newcastle University. He is the current chair of the Sub-committee on Training and Development of the International Society of Neuropathology (ISN).
